One dimensional characters are portrayed as such, but they remain a part of our everyday life. Ahiru Sakamoto's "Reading" is a fantastic day in the life of a life drawing student, and even though the choices we make in the future are limited, it's still hard to ignore how other people lead their lives. I really enjoy the mix of comedy and drama this manga brings. Ahiru creates a wonderfully funny world for herself to live and I can definitely appreciate this. Ahiru has a unique visual style and I love how she draws people. They are both beautiful and funny. It's a fantastic manga that came out as a finished product. There is a lot to enjoy for the reader who just wants to read a good manga. "Reading" is a wonderful drama. It's funny and feels so accurate. ~ Reader "Reading" by AKA AKA "Reading" is the story of the lives of a group of girls, who happen to be students of a fictional art school (a la "Hana Yori Dango"). I enjoyed the overall look of the manga - it had a very classic Manga-style art, but there was also a bit of western influence. The first chapter alone, which is about student Aoi's delinquent ways, was a highlight. His illustrations of the girls were very interesting, and I was intrigued to see how he explained the ways that he imagined them to be. The artist's impression was very realistic for me he was able to show
