
Son Goku And His Friends Return 720p Mkv BEST

The battle has ended as Buu is destroyed. After the battle, Satan is furious at Goku for losing control of his power, and decides to make amends with his guest to prove that he can control his power like the others before him. Videl and Bulma watch from a distance in suspense. Satan begins to teach Goku the rules of this new game. First, no one besides Buu is allowed. Secondly, Buu will attack first. Thirdly, Buu can only fight Goku himself if Satan himself orders Buu to do so. Fourthly, at Goku's command, Buu can no longer use Fusion attacks against his opponents. Rather, he can only use his True Name and can even use his Fusion attacks in an effort to fight Goku himself. Satan explains that, with his programming at Goku's command, this will be the most difficult of challenges for him to overcome. The game begins. Goku and Satan challenge each other, and Goku is told that if Satan uses his powers to attack Vegeta, then Vegeta will also be allowed to

attack Buu. Goku uses the new power against Satan. Satan is angered, and Goku is able to score a hit on him. Satan is furious, but Buu, out of respect for his fellow Super Saiyan (and his plans to one day defeat Goku, all his friends, and Gohan), rushes to Buu's side to protect him. Goku feels overwhelmed, and Vegeta, Vegeta, and Gohan then use their powers to do the same, including blocking several of Buu's Fusion attacks. Buu, in an effort to destroy Goku and his friends, tries to throw a boulder from far away. Buu is unsuccessful, and the boulder crashes into the hotel. Luckily, Satan fixes the situation, as an investigation is made. Buu is told that he is still not allowed to use Fusion attacks or his True Name. Goku is enraged at the rules Buu is being forced to play by, which makes Buu furious at Goku. Buu attacks Vegeta first, but Vegeta is able to hit Buu hard enough to force him to retreat. However, out of pity for Buu, Goku

promises to give Buu another chance if Buu can make the next attack against Goku. Satan again agrees to Buu's wish, and the next attack is from Buu. Buu attacks Goku, and Vegeta and Gohan both observe Goku's tears of sadness as he readies himself to take the beating. Buu is enraged that Goku refuses to fight, and Buu now learns Goku's true reason for fighting. Vegeta can't stand seeing his father suffer, and so Bulma's party to help Goku. Vegeta goes to his room to rest and to get back to training, wanting to better his own fighting ability in the future. He wakes Goku and tells him that there are still four hours until the party, and sends him to the Hotel's room. Bulma and Gohan arrive with a samosa and a pizza in preparation, but the two aren't allowed to eat in the room.

So the two groups of five each battle with

each other. Kado uses the destructive power of his energy shield to attack Goku, and he fires a massive energy blast towards the head. This causes collateral damage. Gohan then attacks Kado with his bo staff, sending Kado's energy shield flying towards Goku. Vegeta then uses the same technique on Kado. Yamcha attacks Kado with the Sword of Omens, which damages Kado's energy shield, and then it causes Frieza's energy shield to fall, which is a great advantage to the boys. The six battle in the dance hall, and Goku and Vegeta swing their Kamehameha in a powerful motion. At this time, the Giant Cliff falls. Gohan is the first to dodge it, and by the time the others realize what is happening, his brothers have already activated their Super Spirit Bomb. The chips become glowing, and beam out.

Gohan has a thought about the responsibility of being a guardian, and gets really sad. Goku asks if he wants to return

to his planet before he does, but Gohan says he is proud of being the Earth guardian. Vegeta tells him to not be sad and says that he is the one who should feel sad, since he has his own problems on his home planet. In the meantime, the beam's energy increases, and goes through the entire population of the world in no time at all. Everyone then charges each other with their ki , and they start to have a clash.

Once the battle stops, everyone is breathing heavily. When Goku refuses to finish the battle, Vegeta tells him that he will be the next world champion. Bracken and Mr. Satan rush in to save Aka, who has lost his focus. She is soon pleased, and finally her power gives out. Mr. Satan uses his Super Pass to counter hers, which Aka also fails to do. While everyone is stunned, the Buddha, Big Bang, Yajirobe, King Kai, and Gohan talk to him. Gohan says that he would like him to be the one to become world champion, but if there is some

reason for him not to do that, he should say, and he will just step down. Mr. Satan says that Goku is really something, and refuses to say. 5ec8ef588b
